

SPX Heavy Duty Oil

SPX MP Gear Oil 75W140

BENEFITS

- Excellent extreme pressure protection and friction control
- Enhanced rust and oxidation control and thermal breakdown protection
- Superior bearing, seal and gear protection while extending oil drain intervals

FEATURES

The latest extreme pressure, anti-foam additive technology blended with premium Group I and Group II base oils to produce the highest quality multi-purpose gear oil available. SPX MP Gear Oils meet or exceed performance credentials- **API GL-5**

75W140 grades are available for use in passenger cars, heavy duty commercial vehicles, and off highway equipment.

TYPICAL TEST DATA

Test	ASTM	Unit	75W140	
Viscosity, Brookfield	D5293	C/Poise	140,000	
Viscosity @ 40 C	D445	cSt	198	
Viscosity @ 100 C	D445	cSt	29.5	
Viscosity Index	-	-	176	
Pour point	D97	C	-46	
Flash Point	D92	C	250	
API Gravity	D287	C	35.3
