March 16, 2020

To our valued customers and partners,

While everyone across the world continues to navigate the uncertainty of COVID-19, SC Fuels is committed to supporting your business throughout the course of this pandemic and to provide continuity of service at all times.

We understand that, in this time of crisis, it is critical that we make it possible for you to continue your operations and help you respond to the unique demands that you may be facing. We want you to know that at this important time, you can count on us to be there to support your business.

Our leadership team is meeting continuously to assess and appropriately respond to the crisis as it evolves, to adjust our operations to maintain continuity, and to support the safety and health of those impacted. In addition, SC Fuels is operating in accordance with guidance from local government and public health authorities. Of course, the health and welfare of both our team members and your team members remain a priority. We have put in place many virus-mitigating actions that result in a reduction of potential transmission. We are working tirelessly to help everyone stay safe while at the same time continuing to serve you.

Please reach out to your local SC Fuels team with any additional questions and concerns.

Sincerely,

A handwritten signature in blue ink, appearing to read "Steve Greinke".

Steve P. Greinke
Chief Executive Officer
